

Stylish Design
High Brightness
Various Resolutions

Decide on the MCM-310 EyeTOUCH II and your troubles with cable clutter are over! Well-conceived in every detail, Swiss design meets advanced technology. Cables are tucked away in the base stand and thus rendered invisible at the POS. Suited for direct on-counter placement, wall mounting, kiosk installation, with VESA mounts unlimited in use (VGA, DP, USB) and very flexible, it can be placed anywhere.

Touch Monitor MCM-310 EyeTOUCH II

1. Unique base design with smart cable management

2. High luminance display
- Up to 600 nits with viewing angle up to 170°

3. Rich Video options
- Powered VGA
- Display Port
- Video over USB

4. 2D Scanner
