

Stylish Design  
High Brightness  
Various Resolutions

Decide on the MCM-310 EyeTOUCH II and your troubles with cable clutter are over! Well-conceived in every detail, Swiss design meets advanced technology. Cables are tucked away in the base stand and thus rendered invisible at the POS. Suited for direct on-counter placement, wall mounting, kiosk installation, with VESA mounts unlimited in use (VGA, DP, USB) and very flexible, it can be placed anywhere.
