

# Epson TM-L100 (101): USB + Ethernet + Serial, Black, PS, EU, Liner-Free

## Smart liner-free label printing for click & collect, takeaways and deliveries

This thermal label printer has been developed for a range of retail and hospitality businesses, including fast-food retail chains, restaurants, food delivery services, ghost kitchens, supermarkets, convenient stores and catering. The TM-L100 supports a range of media, including thick and highly-adhesive media, to help create a range of permanent and semi-permanent labels.

### Create high-quality permanent and semi-permanent labels

The TM-L100 supports a range of liner-less media, including thick and highly-adhesive media.

### Improve productivity

Reduce time and avoid costly mistakes associated with handwriting labels. The TM-L100 produces clear, legible and highly-adhesive labels, without the need to peel off the backing paper.

### Reduce environmental impacts

Print labels without the plastic backing paper, to reduce label waste.

### Integrate and connect easily

The TM-L100 can be easily integrated into existing POS systems, thanks to embedded ePOS capacities. The printer also has Bluetooth, Serial and Ethernet connectivity capabilities.

### Keep downtime to a minimum

High-quality, reliable hardware backed by Epson's history and heritage in the global printer marketplace.
