

AIO-617N4

World's Narrowest Bezel Touch POS Solution

World's Narrowest Touch Bezel Technology

AlO-617N4 features a 15.6" display with the world's narrowest touch bezel at just 3.95 mm, setting a new benchmark in POS design. This ultra-thin bezel enhances visual appeal and functionality, delivering a premium user experience with a sleek, modern widescreen display.

3.95 mm

Next-Level Swivel Functionality

AIO-617N4 is designed with an innovative swivel stand that enables smooth 180-degree rotation in both directions, offering exceptional flexibility for both staff and customers. By eliminating uncomfortable angles, it supports a more ergonomic and efficient workspace while enhancing face-to-face interactions.

Dual Displays for Customer Engagement

Enhance the customer experience by displaying promotions and providing real-time order confirmation using the 11.6" second display or LCM display options, ideal for restaurants, cafés, and retail environments.

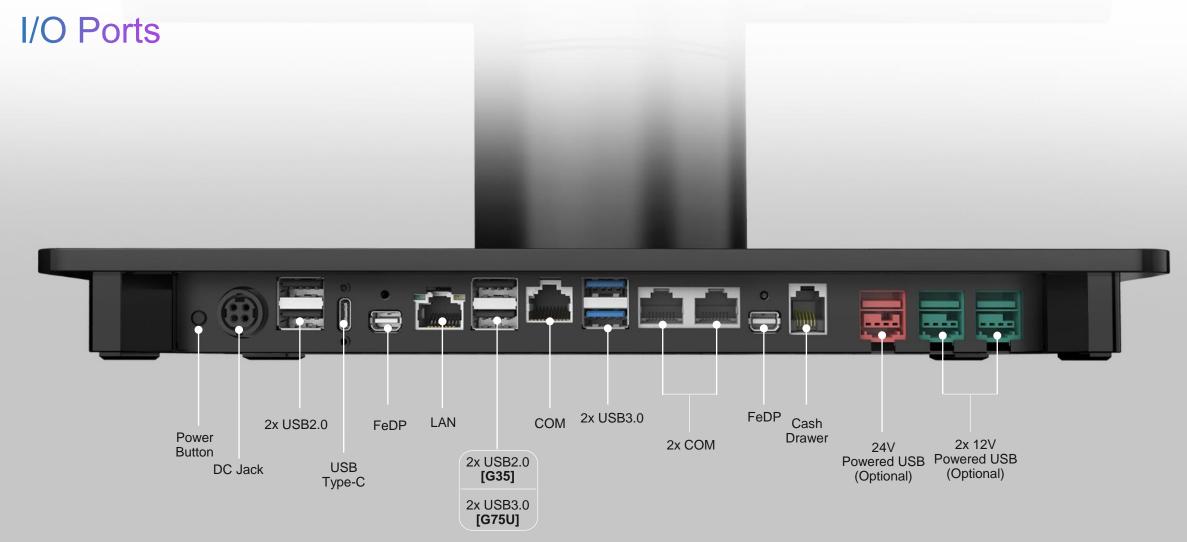

Expand Functionality with Ease

AIO-617N4 supports a versatile range of peripherals that can be seamlessly mounted on both the left and right sides of the display, enabling flexible configurations and enhanced functionality. Customize your setup to suit your workflow and elevate operational efficiency.
